

Moving Day Checklist

At your old home:

Gather tools and supplies

Store your valuables with you

Protect the old place (carpets, corners, floors) so you don't leave any dents

Label everything

Coordinate with the movers

Stay out of their way

If DIYing your move, load appliances first

Clean your old home

Save any moving receipts

At your new home:

Find the fusebox

Wipe down the entire place

Put down protectors for corners, carpets, etc.

Take the movers on a tour

Stay out of the way, but monitor movers for any damage

Stay organized while unloading

Unpack as you go

Tip and thank the movers

Set up your bed

Assemble storage and furniture

Toast to your new life chapter!
